

HORTICULTURE WORKERS- SPRING/SUMMER

Come and get first-hand practical orchard experience as part of a skilled and fun team! Work starts in the last week of September and goes through to late January and with 20 plus positions available we are eager to hear from you today.

Thompson's Horticulture Ltd (THL) is a family owned and operated business, involved in the management of approx. 140 hectares each of Kiwifruit and Grapes, spread between Opotiki and Gisborne with 60 permanent staff and upwards of 70 seasonal staff. We offer employment opportunities in Machinery Operations, Kiwifruit Operations, Grapes and Orchard Development areas.

Team members will be working collaboratively to complete pruning and thinning tasks on THL orchards. Working up to 6 days per week it is a great way to get your foot in the gate and the contribution you make will help establish high yields and quality fruit for the ever-important kiwifruit harvest.

You don't need any experience and you will be learning from managers with a total of over 50 years of expertise. You will need an eye for quality, be a plant and a people person and importantly have a willingness to roll up your sleeves.

We offer competitive hourly rates paid weekly and transport may be available.

Soak up the sun, learn something new and join a handpicked team of the industry's best.
